The Punishment Of Joel Osteen

“Joel Osteen, you false prophet, I AM against you. You shall spend eternity burning in the Lake of Fire, except you repent, for you deceive people by the millions. For you do not lead them in the correct pathways of truth and righteousness, but of falsehood and deception. Every Sunday you preach from your pulpit of sin and self-righteousness in your big stadium church right in the middle of the crowds assembled there. And I shall judge you for every soul you lead astray off of the path of correct doctrine, for the people want to hear your falsehoods. Every soul you deceive shall burn with you in the pit of Hell, for they want not Me but self, and pride in the lust of the flesh. They want not Me, but every falsehood of the flesh that you teach from your pulpit. For you do not lead them to give up all to serve Me, but to accumulate more of what the flesh desires. You serve not Me, but Satan himself, and you shall be judged eternally, except you repent. Repent. Repent Joel Osteen, I have spoken, your God."
